

[Important notice] In regards to co-administration of the Flu and COVID-19 vaccines

From this year, the Flu vaccine can be administered at the same time as the COVID-19 vaccine .

Although there are no regulations regarding the interval between the flu vaccine and other vaccines, please consult with your physician beforehand.

Created by Toshinkyō with reference to "COVID-19 vaccines Q&A" on the HP of Ministry of Health, Labor and Welfare.

## Information about the flu vaccination grant program presented by the Health Insurance Association Joint Enterprise

Every year, influenza epidemics are likely to occur in the winter so the number of people receiving vaccinations is increasing.

It is proven that the flu vaccine is effective in preventing the spread of infection, as well as reducing the severity of symptoms.

*Tou-shin-kyou* is launching an influenza vaccination program in cooperation with various health insurance associations.

In preparation for the upcoming flu season, this program will begin from October 1<sup>st</sup>. Please take this opportunity to get vaccinated.

In this program, there are **three methods of vaccination** to choose from. Please select one.

Vaccination at the medical institutions

Receive a vaccination at contracted medical institutions

集合予防接種

公的施設

利用者が公的施設 (ホテル等の会場) で受診

出張予防接種

事業所に医療スタッフを派遣し受診

Vaccination at contracted medical institutions

Instructions for vaccination at contracted medical institutions

## Instructions for vaccination at contracted medical institutions

### 1- Make a reservation

Choose a medical institution and make a reservation by phone in advance.  
Some institutions may not require a reservation. Please confirm with your chosen institution accordingly.  
When making a reservation, state that you will be using a **Tou-shin-kyou** influenza vaccination ticket.  
Eligibility for this service may differ depending on the health insurance association you belong to.  
**People who belong to the Japan Health Insurance Association and National Health Insurance are not eligible for this service.**  
Please understand there may be cases where you may not receive vaccination due to production or delivery circumstances

### 2- Issue a ticket (click the button below)

Have your health insurance card ready and click on the [Issue a Ticket (in Hospital/Local facility)] button.  
Refer to your health insurance card and enter the required information.  
(Please note that if the entered information is incorrect, the ticket will be invalid!)

**The ticket itself is \*not\* a reservation.**  
**If you make a reservation at another hospital after the issuance of the tickets, please issue a new ticket for that location.**

### 3- Receive the vaccination

Please make sure to present both your health insurance card and **Tou-shin-kyou** influenza vaccination ticket at the counter.  
Do not take your ticket home; submit it to the medical institution.

### 4- Settle the copayment

At the counter, please pay the difference between the vaccination fee of the contracted medical institution and the subsidy amount which is stated on the ticket.

You can issue a ticket here (Online reservation is not available)

**Issue a Ticket**  
(in Hospital/Local facility)

You can also search for contracted medical institutions here

"Microsoft Edge latest version", "Firefox latest version", "Safari latest version", "Google Chrome latest version" are required to use this system.

Please note that it cannot be used with "Internet Explorer 8".

## Cautions for flu vaccination

1. Please be sure to make a reservation by telephone at a contracted medical institution, in advance. Some institutions may not require a reservation. Please confirm with your chosen institution accordingly. When making a reservation, state that you will be using a *Tou-shin-kyou* influenza vaccination ticket.
2. Please make sure to present both your health insurance card and *Tou-shin-kyou* influenza vaccination ticket at the counter.  
If you do not present your health insurance card or if your health insurance card is invalid, the vaccination will not be available.  
(If you are planning to receive the mobile vaccination, you are required a Application form and list of applicants in stead of the ticket.)
3. Please receive the vaccination by the expiration date stated on your ticket (or application form). Vaccination will be once for 1 person. (Mobile vaccination is not available for Junior high school students and younger
4. At the counter, please pay the difference between the vaccination fee of the contracted medical institution and the subsidy amount which is stated on the ticket.
5. You need to fill in the pre vaccination screening questionnaire before hand, please confirm with your chosen institution accordingly.
6. If you feel any discomfort after a vaccination, please consult with your physician, and follow the instructions.

(Caution 1) This ticket and application form are not available outside the contracted medical institutions. Regarding contracted medical institutions, please refer to the download list.

(Caution 2) Your personal information will not be used for any other purposes other than this service.

Please read before receiving a flu vaccination
